SPACE INSPIRED
BY NATURE

SPACE INSPIRED BY NATURE & MODERN ARCHITECTURE

Real estate has been growing exponentially in India, especially across the NCR region. While we strive for luxurious spaces, the need to be sustainable and gentle on the environment is one of the core values that we abide by.

The project is a paradigm of craftsmanship, extravagance, and attention to detail.

With a minimalist, yet luxurious approach, we ensure that every space breathes in novelty and hums an ode to mother nature.

FINE LIVING, SIMPLIFIED

WAL is a contemporary real estate group with a unique approach to building coveted commercial, retail and residential properties whilst representing businesses that are looking to expand.

With our forte being luxury developments, we aspire to be the pioneers of redefining real estate that is sustainable and opulent for our patrons. We at WAL are highly committed and strive to perpetuate a trustworthy relationship with our customers.

Holding strong ethical values and a verve for innovation, we pursue to become an organisation driven by innovation and perfected by wisdom.

WORK AND LIFE

Spread over 2.825 acres, the project is located in sector 73, on SPR in Gurgaon, WAL STREET 73 is one of its kind destination designed to offer a unique Work and Leisure experience with comfortable working space, high street luxury emporiums selling premium brands and restaurants serving distinctive gourmet to satiate every palate.

With attention to every minute details, the place with Romanesque Pillars, Royal Façade and Ethereal Architecture, gives the whole project a Grand & Majestic look.
